HOW TO GET STARTED

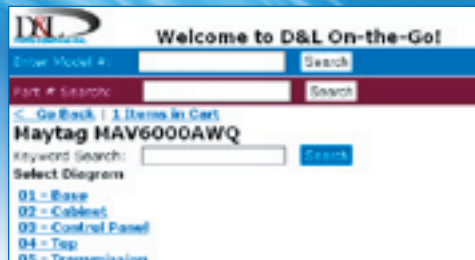

NOTE: To gain access to the mobile section, you must already be a D&L Wholesale customer whose account has been activated to use our regular D&L Website.

Visit our Website using your mobile (cell) phone browser:
www.dlpartsco.com/mobile
(bookmark for future ease)

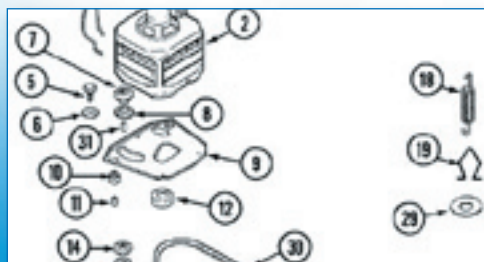

Once you are logged in you have several options available:
Search by Model #, Part #, or view your Shopping Cart

Searching for an appliance model will return the **Diagrams** available. You can **click on a Diagram** or search all by a **Keyword** (ie - motor, belt, etc.)

Part results will show the **Part Number, Description, Availability, Price, Diagram #**, and allow you to **Add to Cart**

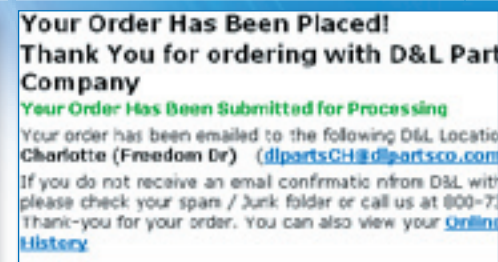

Clicking **View Diagram** will bring up the image thumbnail which can be clicked on to **Zoom In**

Part searches will show the **Part Number, Description, Price, Availability at Specific Locations**, and allow you to **Add to Cart**

Your **Shopping Cart** will have your current order and allow you to **One-Click to Complete Order**. You can add line notes, order comments, shipping options (or pick-up at store)

Once an order has been placed you will automatically receive an **Email Order Confirmation**
